

Urban Mobility Conference

Intelligent, Inclusive & Sustainable Mobility

November 04-06, 2017
Hyderabad International Convention
Centre, Hyderabad, Telangana

CALL FOR PAPERS – TECHNICAL SESSION

The focus on urban transport in India is relatively recent and largely an outcome of the National Urban Transport Policy 2006 which sought to prioritise mobility of people over vehicles. With an objective to coordinate the research efforts in the areas of urban transport in line with the NUTP recommendations and to effectively disseminate the findings, Urban Mobility Conference is conducted every year by Institute of Urban Transport (India) under the egis of Ministry of Urban Development, Government of India.

This year, the Conference will be held at Hyderabad from 4th to 6th November 2017. The theme of the Conference is “**Intelligent, Inclusive & Sustainable Mobility**”. Six sub-themes in concurrence with the theme of the Conference have been identified for the Technical sessions. Papers pertaining to these sub-themes are being invited. Select papers for presentation at the Conference would be shortlisted through a peer review process.

Sub-Theme 1	Public Transport
Sub-Theme 2	Land value capture & TOD
Sub-Theme 3	Shared mobility & Electric Vehicles
Sub-Theme 4	Financial planning
Sub-Theme 5	ITS
Sub-Theme 6	Urban Transport & Environment
