# INTRODUCTION

The State of Tripura has adopted the vision of “PM Gatishakti” bringing different departments under an institutional framework and made them operate collectively in prioritizing the projects for sustainable development of multi-model connectivity of infrastructure for Logistic support for goods and services – “First Mile to Last Mile” to achieve sustainable growth with visual understanding.

# KEY LEARNING & EXPERIENCES

- Understanding “Six Pillars of PM Gatishakti” .
- Bring the State’s Departments together in a Single Platform.
- Importance and essentiality of accurate data layers for planning and execution.
- Long term effective planning
- Sustainable development in structural reforms for logistic support – 1<sup>st</sup> – last Mile.

# ACHIEVEMENTS

- Created Institutional Framework – Regular Interaction, meetings
- Uploaded 50 data-layers including mandatory data layers.
- Capacity building for identified technical personnel for efficient working on the PM Gatishakti NMP.
- Planned & prioritized projects under State Action Plan for 2022-23.
- State Logistic Policy framed to be adopted.

# THANK YOU

**Unakoti, Tripura**
